

# Bibleway Newsletter

August 2007

No. 12

*Dear Friends,*

My, how yet another month has flown by! So many wonderful things have

taken place that I should consider myself most fortunate to get around to listing them all!

From a remarkable two-part series in our Sunday School classes, a thrilling character study at our Tuesday Evening Bible Class, a sensational end-of-the-month conference, and an exciting Youth Day Service you had to see to believe—Bibleway has just been teeming with excitement and activity all month!

In this issue of our Newsletter, we've even included a special feature—to say what mere words never could! You will find a special page at the end of this Newsletter highlighting some of the main characters in our fabulous Youth Service!

We're thrilled to see the wonders God is working here at Bibleway! This issue of our Newsletter will be one unlike all others preceding it. We hope our enthusiasm oozes from these pages and infects you and all who read them!

May His joy be your strength,

Pastor L.W. Edwards

## ***Think on These Things...***

“Your children will imitate you... The degree of respect you give your parents, your children will give to you.”—excerpt from Sunday School Lesson, *Raising Godly Children*

“That which Christ has not control over in your life is yielded to the devil.”—excerpt from sermon titled, *A King Instructed in the Way of the Lord*

“Where God places you, He shall prepare you for the administration of that task.”—key notes from Bible Study, *Life of David: A Character Study*

“Though it may seem you have missed out on select opportunities, remember God always makes a way for His anointed!”—key notes from Bible Study, *Life of David: A Character Study*

“The enemy operates in different arenas—be on guard! ... Address the source of the problem; identify the enemy; prepare accordingly for battle.”—excerpt from sermon titled, *Dressed to Live*

“The power of the Spirit at work within the Christian lies in the application, rather than the recitation.”—excerpt from Sunday School Lesson, *Cultivating the Fruits of the Spirit in Our Congregation*

- *Please continue to pray with us and for us* that God would lead us to a building we can call our own. Please keep others informed as to our needs.
- If you, or anyone you know would like to contribute to our Ministry Building Fund, please send donations to our address below.

### ***Ministry Update:***

- Pastor Edwards has completed a new Sunday School Series, *Cultivating the Fruits of the Spirit in Our Congregation!* This series was a tremendous blessing to many people, who took advantage of frequent open-floor discussions on the topics at hand.
- Bibleway Ministries will soon advance into the 21<sup>st</sup> Century, as we are creating a new website! We are excited to unveil this new avenue for outreach! Kudos to our web designer, Daniel Darling! Stay tuned!
- Pastor Edwards was privileged to serve as a

featured speaker during two of over 40 Workshop Sessions at the 2007 Grace Conference held at the Quentin Road Bible Baptist Church on July 26-27. Pastor shared from Galatians on “Cultivating the Fruits of the Spirit in Your Congregation,” explaining to pastors from all around the country how to tap into the unlimited potential of each member. Each of Pastor’s sessions was very well received.

- We wrapped up the month with our celebrated Youth Day Service. The youth at Bibleway skillfully conducted the entire service, serving as ushers, soloists, and speakers. Cameron Edwards was our featured speaker, sharing during both the Sunday School hour, and presenting the morning message, entitled, “Working for Grace”. We are proud of all the youth who participated in this great celebration! The greatest news arising from this event was the salvation of one of the young people in attendance!

### ***The Message Behind the Ministry...***

---

Did you know that Christ died for your sins so you could join Him someday in Heaven? The Bible says you need only accept His free gift to be saved. Won't you do this today if you haven't before?
